SentriLock One Day Codes GO OFF

The Anne Arundel County Association of REALTORS® will be permanently turning off the ONE DAY CODES for SentriLock Lockboxes on October 1, 2009.

When the Anne Arundel region converted to the SentriLock Lockbox in 2008, the ONE DAY CODE FEATURE was enabled so that agents in surrounding associations, who had not yet converted to SentriLock, could continue showing homes in the Anne Arundel County region with little or no inconvenience for listing agents and sellers. At this time, all the surrounding boards/associations have completed their conversions, so the ONE DAY CODE FEATURE is no longer necessary.

The Anne Arundel County Association of Realtors® recommends subscribers discontinue providing ONE DAY CODES immediately for Safety and Security reasons.

Those who wish to become subscribers to the SentriLock System should call AACAR at 410-544-4554 to schedule an appointment as soon as possible to avoid any inconvenience in their showings. **If you have not yet subscribed, please do not wait until the last minute as the appointment times may fill up quickly.**

Most of the adjoining Associations including: Carroll County Association of REALTORS®, Greater Baltimore Board of REALTORS®, Harford County Association of REALTORS®, Howard County Association of REALTORS®, and Prince George's County Association of REALTORS® will be discontinuing the use of one day codes on or before November 1, 2009. The only authorized and approved lockbox for use on real property by REALTORS® in Anne Arundel County is SentriLock.
